Accessibility for All

by the Disability and Health Program

Recent News

Adaptive Stylish Clothing

Runway of Dreams, a non-profit organization that works to create fashionable, adaptive clothing, has partnered with Tommy Hilfiger to create an adaptive clothing line for children with special needs. These clothing items include modifications, such as magnets and velcro, to allow for easy on and off for children with special needs. To read more, [click here](#). To view the clothing line, [click here](#).

ED accommodations for children with autism

Nemour's Children's Hospital in Orlando, FL has implemented a program known as REACH, Respecting Each Awesome Child Here, in its Emergency Department (ED). This program identifies children who have an autism spectrum disorder or other behavioral and developmental conditions and accommodates their special needs until they leave. Jacksonville, FL

This symposium, held by The City of Jacksonville, will focus on WCAG 2.0, Training and Expertise for Accessibility, and Assertive Technology workshops. Discussions will include topics applicable to designers, developers, quality assurance specialists, project manager, and

designed a zip line suitable for people with mobility challenges known as Gator Gauntlet. To learn more, [click here](#). To visit Gatorland's website, [click here](#).

Non-Profit Helps Persons With Disabilities Scuba Dive

Imagine Diving connects persons with disabilities to the recreational, and even therapeutical, benefits of scuba diving. They are based in Illinois and are fundraising to dive in the Florida Keys or the Caribbean. Imagine Diving encourages family members to become certified in scuba diving to participate in this undersea adventure! To learn more, [click here](#).

Disability Community Opening Soon!

The Villages at Noah's Landing, located in Lakeland, FL, is on schedule to open its doors to its first residents by late April or early May. This \$17.5 million project is unique to Polk County and a rarity throughout the nation. This residential community is a supportive environment for people with developmental or intellectual disabilities. To learn more, [click here](#).

Gas Pump Access Act to Go National

The Gas Pump Access Act requires gas stations that offer self-service to place a decal on each gas pump with the station's phone number. This allows disabled drivers that need help to call for assistance. This legislation recently became Florida law. Now, U.S. Representative David Jolly wants to take this Act to a national scale!
